

PABCO® Roofing Products

a division of PABCO building products, LLC

WARRANTY ADVANTAGE

The Warranty Advantage limited lifetime warranty upgrade option and wind warranty upgrade option are only valid when PABCO® shingles are purchased and applied in the United States or Canada. These warranty upgrades specifically warrant that eligible PABCO® shingles are free from manufacturing defects that adversely affect their performance. See the PABCO® Limited Shingle Warranty for details, limits, and conditions.

LIMITED LIFETIME WARRANTY UPGRADE

• ELIGIBLE PRODUCTS:

The Warranty Advantage limited lifetime warranty upgrade option is only available on the following products:

- PABCO Premier® 50
- Premier Radiance™ 50
- Premier Advantage®
- Cascade™
- Paramount®

• LIMITS AND CONDITIONS:

The Warranty Advantage limited lifetime warranty upgrade option is provided for the original homeowner only (proof of purchase required) of eligible asphalt shingle products (see list above) installed on single-family residential buildings. For purposes of this warranty, the original homeowner is defined as:

- The original purchaser/occupier of the dwelling, or
- The purchaser/occupier at the time of PABCO® shingle installation.

Single Family residential structures do not include apartments, townhomes, or condominiums or other structures where multiple dwelling units are covered by a common roof.

The original homeowner must submit a Warranty Advantage registration form and proof of purchase within 60 days of application of eligible products to receive the limited lifetime warranty upgrade. Upon transfer of ownership, the warranty becomes a fully transferable 50-year warranty from the date of application. When applied on structures other than a single-family residence, the warranty is a fully transferable 50-year warranty from the date of application. The limited lifetime warranty upgrade is prorated in the same manner as the 50-year limited warranty except prorating ends at year 40 for the original purchaser only (see the PABCO® Limited Shingle Warranty for details on prorated coverage). After 40 years, the number of months remaining on the warranty is held at 120 (that is, 600 months initial - 480 months of use). All other warranty provisions, terms, and conditions remain the same.

This extended warranty coverage is valid for installations January 1, 2010 through December 31, 2010 and may be offered in the future at the sole discretion of PABCO® Roofing Products.

WIND WARRANTY UPGRADE

• ELIGIBLE PRODUCTS

*See Limits and Conditions below for details.

• LIMITS AND CONDITIONS:

The Warranty Advantage wind warranty upgrade option is provided for the original homeowner only (proof of purchase required) of eligible asphalt shingle products (see list above) installed on single-family residential buildings. For purposes of this warranty, the original homeowner is defined as:

- The original purchaser/occupier of the dwelling, or
- The purchaser/occupier at the time of PABCO® shingle installation.

Single Family residential structures do not include apartments, townhomes, or condominiums or other structures where multiple dwelling units are covered by a common roof. The original homeowner must submit a Warranty Advantage registration form and proof of purchase within 60 days of application of eligible products to receive the wind warranty upgrade. Upon transfer of ownership, the warranty reverts to the standard wind warranty from the date of application. When applied on structures other than a single-family residence, the warranty is the standard wind warranty from the date of application. The wind warranty upgrade is available for new construction or re-roof applications (complete tear-offs only). Eligible shingles must be properly installed with six (6) nails, PABCO® Universal Starter, and PABCO® Paramount® Starter (when required). See PABCO®'s application instructions and Limited Shingle Warranty for complete details. All other warranty provisions, terms, and conditions remain the same. This upgraded warranty coverage is valid for installations January 1, 2010 through December 31, 2010 and may be offered in the future at the sole discretion of PABCO® Roofing Products.

• WARRANTY ADVANTAGE REGISTRATION PROCESS:

Completely fill out the Warranty Advantage registration form below and return it, along with the proof of purchase, to:
